

Free online training courses

Play by the Rules has developed free, interactive online training courses that you can undertake in your own time. They provide information for coaches, administrators, officials, players, parents and spectators on a range of issues that impact on safe, fair and inclusive sport.

Full courses are available on **Child protection, Harassment and Discrimination, Inclusive Coaching, Complaint Handling, Creating an LGBTI+ Inclusive Club** and for **Member Protection Information Officers**.

There's also a suite of mini-courses on a range of topics that might interest you.

The courses have been developed in consultation with sports experts who work in these areas. They are short, user-friendly and feature the latest interactive technology, including case studies, practical scenarios and a quiz. Users who successfully finish these courses can print a certificate of completion.
